Dear Sir/Madam

2019 CAPE TOWN, WESTERN CAPE & BOLAND MOTORBIKE TOUR

Travel with Ken Brough and Friends
Sunday 18th to Thursday 22nd August 2019
4 Days / 5 Nights

JB Train Tours & Ken Brough, CEO of Lifestyle Galaxy, invite you to join us on the **Motorbike Tour** to be hosted in and around Cape Town during the four days prior to the annual **Lifestyle Galaxy International Conference** to be hosted from the 23rd to 25th August 2019 in Cape Town, South Africa.

This Motorbike Tour is ideal for those who would like to explore new destinations, picturesque roads and routes, experience the hospitality of the local people, eat local food and have fun in a well-structured, organised and safe manner. This is the time and opportunity to do it, whilst enjoying the **Western Cape** and the **Boland** at its best – all on tarred roads.

The route of +-1100 km (690 miles) offers 4 days of easy riding; multiple and varied mountain passes; professional tour guide; fun & laughter with great accommodation and meals included. Motorbikes will be hired in Cape Town. Bring your own helmet and riding gear or make use of the option, to fit and hire locally in Cape Town.

If you are the type of person who'd like to see South Africa from a different angle, in possession of a **valid motorcycle licence** wishing to ride various **curving mountain passes, 1000's of sweeping corners** mixed with **captivating coastal roads & routes and photographic opportunities a-plenty - then please read on.**

You'll have the opportunity to enjoy an exciting 4x4 game drive, experience whales in the ocean, ride beautiful roads, visit Cape L'Agulhas - the Southernmost tip of Africa where Two-Oceans-Meet, ride alongside **Table Mountain** (one of the new Seven Natural Wonders of the World) whilst enjoying local cuisine with good wine *and all this* - whilst Having-Fun!

This is a tour – NOT a race nor a rally. The group will be led by an experienced tour leader with an in-depth knowledge of both the routes and roads. We keep within speed limits, stop regularly, take photos, enjoy the ride and in the process, create memories to last a lifetime.

Many female riders, pillion bikers from various countries abroad, even family-groups - all have travelled with us. Since 2007 to date, more than **89** Motorbike-on-Train tours have been hosted to various destinations across Southern Africa.

Visit places and travel roads that you've never seen nor ever heard of before. Experience scenic mountain passes with curves and corners galore; traverse coastal roads; dine at quaint restaurants en-route; accelerate on remote stretches . . . *all* whilst enjoying 'fynbos' and the unique outdoor life the Western Cape & Boland has to offer.

This tour is a combination of the thrill of riding one's bike, experiencing the fun and splendour of Cape Town, the scenic Peninsula, the beautiful Western Cape & the splendour of the Boland. Sleeping in **good hotels** are at the order of the day, offering most all the variety of human comforts and facilities needed.

Whilst enjoying the beach and sea, opportunity is further created to visit the most popular tourist attractions and destinations, shopping or if so choose, just relax and take in the beauty of the surrounds.

We even have a few pleasant surprises installed in the itinerary !

The main purpose of this tour is to allow bikers the opportunity to ride in **different but most interesting environments**, making new friends and to especially enjoy a *glimpse of some* - that South Africa has to offer. Please do remember to bring along your camera and GoPro.

The different daily routes takes one past breath-taking scenery.

All this - at a **very affordable** rate.

Ken and Friend's Tour is scheduled to take place in late winter time and as the Western Cape is a winter rainfall area, rain could occur. Hence a friendly reminder to keep foul weather gear in mind.

All the routes are on **good** tarred roads. A back-up vehicle will be traveling along in case of an emergency or any breakdowns.

If so preferred, the back-up vehicle will have space for two non-bike-riding passengers. To them, the tour price will remain the same.
